FOR THE LIFE OF YOUR BUSINESS

We're on a mission to help small businesses.

Over the past 50 years, SCORE's network of business experts has helped guide entrepreneurs.

Every day, our volunteers help small businesses start, grow and achieve new levels of success. These volunteers are our lifeblood and the reason for that success.

SCORE volunteers aren't just anyone. They're successful business owners and executives with real-world experience in every sector. Some have worked at Fortune 500 companies. Others have built their own businesses from the ground up. And each one of them knows how good it feels to help others achieve their dreams.

Volunteering has its perks.

Become a leader in your business community

Feel empowered sharing your expertise with others

Expand your network and make new friends

Grow professionally through lifelong learning

Choose how you want to volunteer.

We know your time is valuable and you have a variety of skills to share. That's why we offer total flexibility when it comes to volunteering. Share your business knowledge as a regular mentor. Or pitch in as-needed as a subject matter expert. You can also lead a seminar or workshop, which only requires a few annual appearances. Others help with marketing, fundraising, or administrative support. All of these options can be done online, from the comfort of home, or in-person, at your local chapter.

Take advantage of easy onboarding.

When you're ready to start, we'll give you the tools you need. Between our orientation and mentoring certification program, you'll learn about SCORE's mission and services, plus get tips on what makes a good volunteer.

There's no way to quantify how good it feels to help others. Sharing business knowledge you've accrued over the years gives you an extra boost of pride and purpose. And you'll feel even better knowing you helped someone achieve success.

In a single year, we
helped clients create
**32,000+ new
businesses** and
103,000+ new jobs.
